

THE
PROMONT

TERRACED HILLSIDE RESIDENCES

Actual image shot as on 9th April 2017

HIGH ABOVE THE CROWDED CITY...
CLOSE TO EVERYTHING YOU WISH FOR.

Like the palaces of the kings of yesteryears, The Promont is built on the majestic Banashankari hills of South Bangalore – truly a venue to look up to. The Promont is one of Bangalore's most coveted 'Hill Residences'. Comprising of 312 uniquely crafted apartments and penthouses across 4 towers. A self contained settlement in itself, which amalgamates modern day luxuries and amenities in the midst of 14 acres of lush natural scapes, The Promont offers a lifestyle fit for a king with easy access to the city and key locations. Here, you are never too far away from where you want to be.

STOP EXISTING.
EXPERIENCE PURE LIVING,
AT THE PROMONT.

The Promont is a lifestyle choice few will ignore. Uniquely crafted apartments and penthouses inspired by western residences ensure that you disconnect from the daily grind and reconnect with the people who make living life, worth it.

ALL APARTMENTS COME OUTFITTED WITH:

WINNING AT PURE LIVING.

The Promont is dedicated to making life for you and your loved ones simpler and secure. The superlative design and architecture is more than just a pretty façade. It has been built with utmost attention to detail. Behind its awe-inspiring beauty, it hides the smaller, simple aspects that enable you to enjoy a stress-free life. All the pre-requisites for living comfortably have already been entrenched within every aspect of the property. But we've gone a step further to give you a wholesome experience of pure living.

ABOUT TATA HOUSING.

Tata Housing has evolved into one of the fastest growing real estate development companies in India. With the primary business being development of properties in residential, commercial and retail sectors, the company's operations span across various aspects of real estate development. The company's mission as a real estate development company is, "to delight customers by providing quality life spaces through continuous innovations."

The company is recognized for its quality construction, ethical and transparent business practices, and high standards of maintenance of properties. The company develops every property only after concentrated and focused market research to determine consumer needs and then the project is designed and implemented according to consumer preferences.

Tata Housing today has partnered with internationally acclaimed architects and design consultants. Tata Housing's projects are built to high quality specifications instantly making them landmarks. Quality has become synonymous with TATA Housing.
